

**Western Canadian HAZMAT Conference 2011  
Post Conference Workshop**

## **Railroad Safety Orientation for Emergency Responders**

**Friday October 14 or Saturday October 15, 2011**

**How do you safely switch off a railway locomotive?  
Which type of rail cars carry what types of hazardous materials?**

Those and other questions concerning what emergency responders need to know about dealing with railroad emergencies are the subject of 3 separate three-hour, hands-on orientation sessions coming up in Saskatoon, SK.

**Hosted by Envirotec Services Incorporated and  
the Office of the Fire Commissioner**

Your registration fee is included with your conference admission fees.  
There is a **limit of 20** participants in each session

To register please contact:
